STUDENTS VISIT FOREIGN SHIP

All the students here at Wrangell have gone to see the big ship down town in Wrangell Harbor. I'm sure everyone enjoyed looking around in the ship. It was very large. Captain Wang and the first officer, Mr. Shen showed us all around the ship and told us many things about it. I'm sure you all had a good time.

NOVEMBER 28 IS A DAY FOR GIVING THANKS

Thanksgiving is on Thursday, November 28, and there is no school for us. We are going to have a big dinner in the dining hall. They will serve: turkey, gravy, Norwegian dressing, mashed potatoes, corn, cranberry sauce, olives, pickles, rolls, butter, pumpkin pie, and milk.

Thanksgiving is the day when everyone in the country stops what they are doing and gives thanks to the Lord for their blessings.

It's going to be a happy day for the people, but a sad one for the turkeys.

....Donna

STUDENTS GO TRICK-OR-TREATING

On Halloween night the kids 12 and under went trick-or-treating. They had lots of fun walking around the campus. They went to the North Staff, South Staff, Health Center and to Mrs. Oskolkoff, Mrs. Laffarr, Mrs. Walker's house. Then they came back to the dorm. The big kids had a dance in the gym. Hope you had fun.

WRANGELL ENROLLS TWO NEW STUDENTS

Mr. Dayton, the school social worker, brought a new student to school. His name is Mark Nathan. We are all helping him to get acquainted with the children.

Rod Holmberg is another new student who has come here. He is from Fairbanks. We hope he likes Wrangell Institute.

....Helen Abruska

TROOP 39 WRANGELL INSTITUTE BSA

November 11

Mr. Daly and Mr. Johnston took Hawk Patrol on a special picnic of hot dogs and buns, cocoa and cake. Hawk Patrol had perfect attendance for two months.

Saturday, November 16

Hawk Patrol and Beaver Patrol based on their attendance record were taken on a hike by Mr. Daly out to the McCormack Cabin past Pat's Creek. This area was scouted by them as a possible camping area for Troop 39. They cooked their own lunch which they packed with them. They baked their own potatoes in foil in the coals of the fire and prepared chicken.

Both patrols noted wildlife on their hike and saw four seals in the water. Also noted were fresh deer tracks and birds.

Monday, November 18

At the regular troop meeting plans were discussed to begin the Hunter and Safety Course to be taught by Mr. Fisher and Ass't. Scoutmaster, Mr. Appleman. All the material is at the Fish and Game Office and the next meeting will be registration for two Patrols to begin the course. Regular attendance was again stressed to the Patrols. The remaining Patrols will continue with finishing their Tenderfoot requirements. All the boys will have the opportunity to take the Hunter and Safety Course.

....Mr. Johnston, Scoutmaster

BOY SCOUTS TAKE HIKE

Saturday morning November 16, eighteen Boy Scouts boarded the small bus and were driven to a point about two miles from the end of the logging road. They unloaded and started to hike to McCormack's Creek and the old cabin. The hike to the cabin took about one and one half hours, and when they arrived at the beach, there were four spotted seals playing in the water just off shore. As soon as the boys went on the beach, the seals left. The boys found firewood and got a fire started and placed the cans of chicken around the fire to warm them up for dinner. Potatoes were baked in foil, cranberry sauce was opened and eaten with bread and butter. Juice, sweet pickles and apples finished up the meal.

The boys started back to the bus by hiking down the beach for a while then starting back up the hill through the woods. The return trip took about 30 minutes, and on the trip back by the bus, stops were made at Pat's Lake and 8-mile beach.

SCOUT NEWS

Last Tuesday the Hawks Boy Scouts had a picnic. At the picnic we had a basin of water with apples floating around in the water. We had fun trying to get the apples out of the water by biting them.

STUDENTS VISIT CHINESE SHIP

Once upon a time our class went down town to see a big Chinese boat. We went up to the top and down to the botton. And the Chinese men tried to teach us to talk like the Chinese.

BAND TO PLAY AT BASKETBALL GAMES

The band students are practicing daily so they can be ready to play at the first basketball game Dec. 6, 1968. Mike Clayton plays the drums real cool. John Willie looks caddy playing the tuba, and the girls especially Dolores Hunter, are playing their clarinets will.

This year Olga Fitka is the most on the flute, and Norman Henry sounds great on the passoon. Mr. La Marr said we still need lots of practice.

The chorus students made their first appearance in their blue sweaters at the Halloween Assembly. They sang a scary song and looked really sharp.

MRS. DOW'S CLASS GIVES OCTOBER ASSEMBLY

Mrs. Dow's class had an assembly about "And the Ghost Walked."

Mrs. Burton Jones Maxwell was played b Sally Larson, Caroline Dorothy Maxwell b Mary Littlefish, Jack Samson by Kennet Frank, Channay Lettleartt was Harry Asuluk Mrs. Blaine was Madeline Tagarook. Sabrin was Irene Williams, Rodney Blaine was Gus Johnson and Thomas was Frank Bester. The candles were Andy Makaily and Thomas Horter and the readers were Lucy Jones and Edit Petluska.

At the end of the program the chorus sang "Halloween Fun," and Mrs. Dow's group sang "Dry Bones."

H. HUMPHREY WINS ELECTION AT WRANGELL INST.

Hubert Humphrey won the mock presidential election held in the Social Studies class on October 31. Here is how the voting went:

H. Humphrey	102
R. Nixon	75
G. Wallace	39

There was one write-in vote for Eugene McCarthy.

George Nicholia, Issac Ross, and Joseph Omnik were our lucky poll "watchers." They had coffee and tea for doing such a good job.

We will begin practicing for our Thanksgiving program next week. Mrs. Fisher will help us with our program.

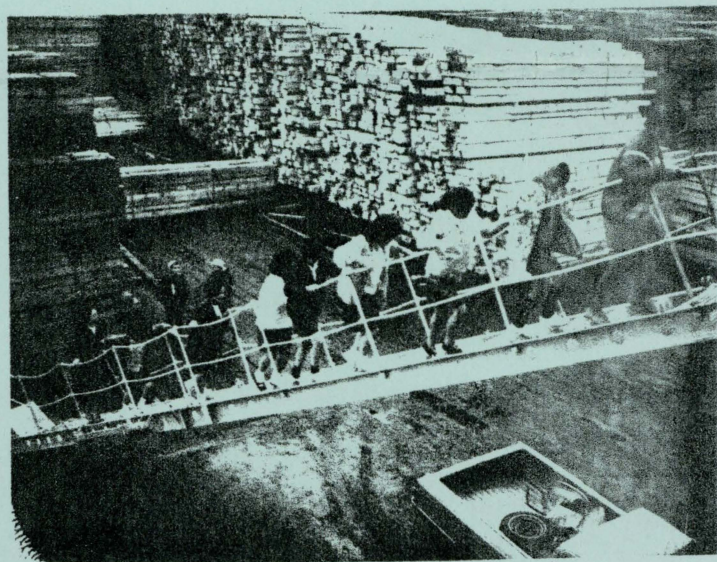

NEW TEACHERS COME TO WRANGELL

Mrs. Crogan is another new teacher here at Wrangell. She is from Barnard, South Dakota, and received her degree from Northern State College in Aberdeen, South Dakota. She taught second grade last year in Eagle Butte, S. D. This year she is teaching a self-contained classroom. She said she enjoys teaching at Wrangell Institute because the boys and girls are cooperative.

NEWS FROM MRS. CROGAN'S CLASS

We had a trip to a Chinese freighter. The captain showed us all around the ship. He let us have candy and cookies. Some people were fishing and caught flounder. There were men hauling lumber into the ship. Before we left, we had a glass of tea. We had fun there.

After we came back from the Chinese ship, we wrote thank-you letters to the Captain. We drew pictures of Eskimos and dog sleds. After everyone was finished with his picture, we put them all together and made a picture book.

WHO'S SICK?

Barbara Crane left to go to the hospital. She has had a pain in her side and back. We hope she comes back very soon and we hope all the students who are sick get well soon.

....Helen Abrusk

Mrs. Walker presents service pins to Doug Cross, Mrs. Crogan, and Gordon Doane.

ASSEMBLY PROGRAM

An assembly was held on November 22, 1968, at which Doctor Nasi, the visiting dentist, showed a film on the proper care of teeth. After Dr. Nasi finished with his talk on how to brush your teeth, Mrs. Walker announced that there were three employees to be presented with service pins. Mrs. Crogan received a pin for ten years service with the government, Mr. Doug Cross received a pin for ten years, and Mr. Gordon Doane received a pin for 30 years service for the government.

Dr. Nasi prepares to show a film at the assembly program.

November 1968

APOLLO 7

Navy Capt. Walter M. Schirra, Jr., Air Force Major Donn Eisele, and land civilian Walter Cunningham rode the Apollo spacecraft in its first manned flight atop a huge Saturn IB rocket.

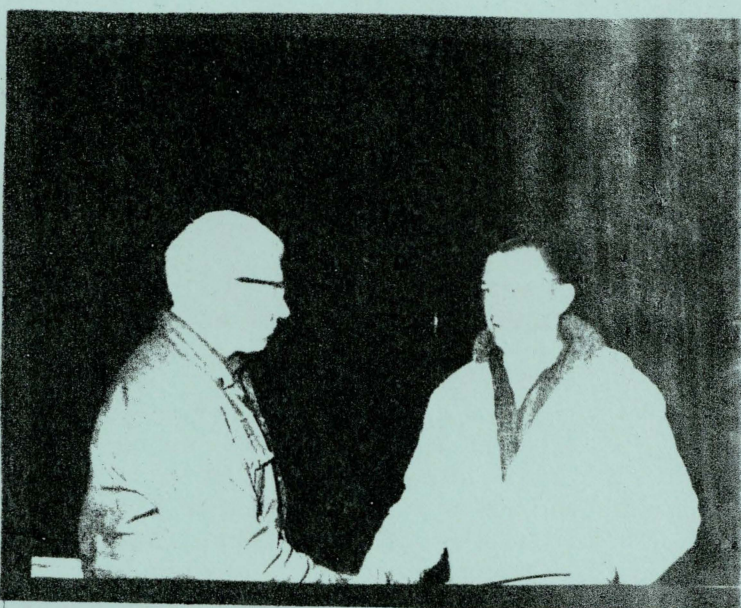

Lift off at Cape Kennedy was at 8:02 a.m. Friday, October 11, 1968. On October 14, 1968 the first live television show from inside a manned U.S. spaceship at 7:44 a.m. was telecast. The crew turned on the television camera as Apollo 7 sped over the southern United States; after the camera had warmed up, the astronauts could plainly be seen moving inside Apollo 7. Then the camera aimed it out the window to test its ability to see features on earth. After a while clouds and the Texas-Louisiana coastline could be seen.

With the success of Apollo 7 the United States may attempt to launch Apollo 8 during the Christmas season for a flight that will orbit the moon ten times.

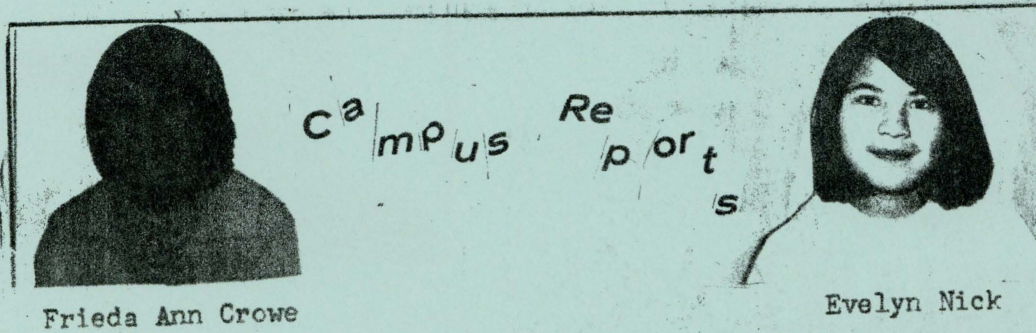

The Apollo 7 spacecraft landed safely from eleven days in orbit and was picked up by the U.S.S. Essex. The Apollo 7 astronauts are conferring with the three other spacemen who may fly around the moon in December.

The commander of the spacecraft, Walter Schirra, says that he would not attempt future space flights, but will retire.

GOBLINS ATTEND HALLOWEEN DANCE

The Halloween Dance was held in the gym. Most of the students of Wrangell Institute dressed up in costumes.

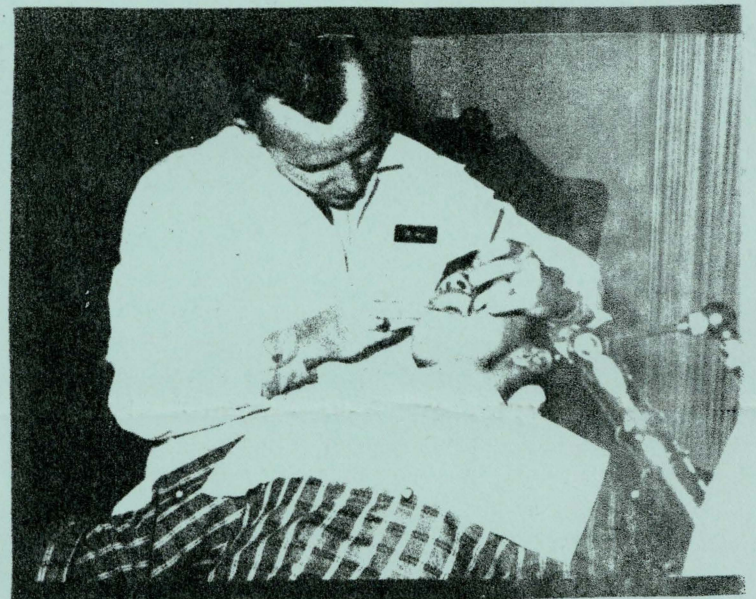

The dance was held on Thursday at 6:00 p.m. to 8:00 p.m. About 8:00 p.m. the students went to the girls dorm to get their refreshments, and then they watched T.V. until 9:00 p.m. When it was 9:00 p.m. all the boys had to go back to the boys dorm.

I hope everyone had fun on Halloween night. don't you?

WRANGELL GETS FIRST SNOW FALL

The first snow fell on November 13, 1968. The students of Wrangell Institute were happy that it snowed that day. Most of the day the students stayed outside throwing snowballs, and the smaller kids tried to make a snowman. The students had fun that day.

"LUCKY" STUDENTS VISIT DENTIST

Doctor Nasi and two dental assistants visited Wrangell Institute for a week to clean and polish the students' teeth and fill the cavities. The dentist talked to many of the classrooms about the proper care of teeth.

WHO NEEDS GLASSES?

Doctor Cannava, an eye doctor, was here to examine children's eyes. Ninety-one children needed glasses.

MRS. WALKER IS BACK AT SCHOOL

Mrs. Walker, who was in the Hospital for fifteen days is back at school now. We are very glad to have her back.

BASKETBALL SEASON NEARS

Mr. Daly is going to try to get the basketball team to play against the Junior Varsity in town on December 6 and 7. He will also try to take the team on a trip to Ketchikan and Mt. Edgecumbe to play basketball. The following boys are on the A team: Joe Omnik, Fred Kirsteater, Reginald Ovink, Thomas Horton, Bernard Nash, Patrick Aloysius, Nels Martin, Michael Slim, Roy Walton, David Gilila, Bill Olafson and Michael Clayton. Members of the "B" team will go also. They are: John Willie, John Wassilie, Isaac Ross, James Erik, Johnathon John, Norman Henry, Roy Williams, Thomas Brown, Andrew Brown, and Peter Druk.

Dorothy Kirsteater

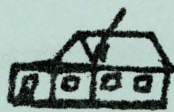

Linda Acoman is in Mrs. La Marr's room. Her favorite sport is playing volleyball. She is from St. Michael. There are nine in her family. Dancing is her favorite hobby. After she finishes school here, she plans to go to school in Nome. This is her first year at Wrangell Institute.

Nickolas Paul is in Mrs. La Marr's room also. His favorite sport is basketball. He is from Kipnuk, Alaska. There are nine in his family. His favorite activity is dancing. He is on the basketball team. After he finishes school here, he wants to go to Chemawa. This is his first year at Wrangell.
